QUEST CONSULTING
GOVERNANCE REVIEWS & TRAINING

Capability Statement

Good governance is easy to espouse but difficult to achieve. Quest Consulting specialises in reviews of organisational governance and provides critical advice to enhance governance performance.

We have acknowledged expertise in the development of superior governance systems, design of governance architecture, and establishment of monitoring and review processes that ensure sustainability of good governance practice and process.

We have extensive experience in working with Boards, Councillors and senior management teams on all types of governance projects - many in highly sensitive or complex environments.

Our work includes:

- Board self-evaluations
- Planning retreats for Councillors, Boards & management teams
- Governance training
- Risk management training and assessments
- Review and revision of governance policies

Quest Consulting is a specialist consulting firm that provides insightful analysis and tailored solutions for leading community and public sector organisations. We pride ourselves on adding significant conceptual and intellectual value to clients' projects and building relationships that really support clients through to project success.

A full list of our projects and clients is available and we are happy to provide contact details for referees should you wish to speak to them.
