OUR TEAM

Vicki Davidson – Director

Vicki has worked in consulting for eleven years and has been involved in a diverse range of projects in strategic and corporate planning, organisational change and stakeholder relations.

She has a wealth of experience in working with public sector clients in health, human services, local government, leisure and the environment.

Vicki has over 25 years business experience in the public sector and consulting services and has a well known reputation for her ability to build consensus amongst a diverse range of stakeholders. She also has a high level of conceptual ability, excellent research skills and a strong focus on client needs.

Prior to establishing Quest Consulting, Vicki worked in senior management roles in local and state government, in both human services and infrastructure management. She is well known for her extensive experience in service reviews, development of performance indicators and change management.

Vicki has an honours degree in psychology, a master's degree in Economics from the University of London and is a Fellow of the Australian Institute of Company Directors. She is a Director of the Melbourne General Practice Network and Inner Melbourne Medicare Local. Vicki is often engaged as a trusted advisor to senior management and boards to assist with complex change processes.

Associates

Quest Consulting has a range of collaborative arrangements with other specialist consultants with expertise in financial analysis, data analysis, research and business planning.

This ensures both the breadth of expertise and the resources are in place to complete all projects to the highest standard.
