QUEST CONSULTING
ORGANISATIONAL REVIEWS & PERFORMANCE IMPROVEMENT

Capability Statement

While often a business imperative, organisational change can be difficult for organisations to manage alone. Quest Consulting has extensive experience in the design and implementation of change processes that lead to significant business improvements. We have successfully worked on highly sensitive change projects and are particularly adept at designing strategies to help manage workforce expectations and drive understanding of the need for change.

We work with clients on a wide variety of projects from full-scale organisational change programs through to shorter term interventions and support for management in complex change processes.

Our work includes:

- Organisation structure reviews and re-design
- Cultural change projects
- Development of KPIs
- Assistance with both recruitment and exits
- Preparation of position descriptions
- Enhancing teamwork

Quest Consulting is a specialist consulting firm that provides insightful analysis and tailored solutions for leading community and public sector organisations. We pride ourselves on adding significant conceptual and intellectual value to clients' projects and building relationships that really support clients through to project success.

A full list of our projects and clients is available and we are happy to provide contact details for referees should you wish to speak to them.
